### How Computers Made Easy can help?

You're spending a lot on this machine-it's worth the investment to have it assembled by a professional.

**LABOR TO BUILD GAMING PC (\$60/hr)**

**3 hrs – Assemble gaming pc \$180**

**2 hrs – Install operating system/drivers \$120**

Hardware in original unopened packaging is preferred.

Additional time may be required to troubleshoot hardware compatibility –

Pre-paid Consultation (\$60 billed hourly) before purchasing parts can help speed up the build.

We do not overclock machines and advise extreme caution as overclocking can void a warranty.

Everything is done on a Time & Material basis.
